HARMONY's Goal This Year is \$1,500!

Harmony students have the power to make a positive impact on the lives of blood cancer patients!

Harmony has joined more than 550 other schools across the Texas Gulf Coast in The Leukemia & Lymphoma Society's (LLS) Pennies for Patients Program. Harmony students will raise funds to support LLS's mission: **to cure leukemia, lymphoma, Hodgkin's disease, and myeloma and to improve the quality of life for patients and their families.** We want to thank you in advance for helping patients with blood cancers live better, longer lives!
